the ladies' stitching club

oliver + s

The Ladies' Stitching Club was formed when an independent minded young lady awoke from a dream in which she had worn a beautifully embroidered blouse.

She wanted to make that very same blouse, and with some searching she was able to find both knowledgeable seamstresses and others like her who wanted to learn the craft.

These ladies of all ages converged to form a club of eccentric women who met monthly to stitch, teach, support each other and celebrate their diversity and strengths.

The Ladies' Stitching Club fabrics come in three colorways: **tea cakes** in shades of plum, pink and gold; **solarium** in red, gold and blue; and **garden party** in plum, blue and green.
